

Tommy Rachman

Ambitious Web Marketing Specialist with intermediate-level experience specializing in managing and authoring web pages. Seeking to leverage a broad technical background to secure a challenging position in the tech industry.

EDUCATION

Computer Science, BS

CSU East Bay - Hayward, CA

Graduated: May 2020

WORK EXPERIENCE

Oracle Corporation September 2021 - February 2023

Web Marketing Specialist - Santa Clara, CA

- Demonstrated a strong understanding of HTML and CSS, which allowed me to make detailed changes to web content and ensure that it was consistent.
- Utilized Wrike's ticketing system to manage tasks and projects, ensuring that deadlines were met and deliverables were of high quality.

Splunk Inc. July 2021 - February 2023

Web Marketing Specialist - San Francisco, CA

- Responsible for maintaining and authoring Splunk web pages using the CMS Adobe Experience Manager
- Working with Jira and Workfront to strictly organize and execute tasks
- In charge of various projects that have to do with modernizing pages
- Responsible for developing and implementing marketing strategies that focused on B2B, SEO and Campaign tasks
- Successfully managed a team for the launch of customer stories pages

PROJECTS

Website - ShareGallery.Inc Summer 2021

Collab Project with Designer Lisa Lopuck

- Designed and developed a responsive website using HTML, CSS, and JavaScript, implementing features such as interactive forms, dynamic animations, and customized styling to enhance user experience
- Used basic programming fundamentals to create a interactive responsive UI

Website - Music/Art Spring 2021 - Present

Solo Project

- Actively developing a website exhibiting my artwork and music using HTML, CSS, and JavaScript.
- Creating an interactive UI with JavaScript and CSS
- Integrated and modeled all the music and artwork
- Uploaded onto Github with Git Bash using various git commands
